THE DRINKS BROCHURE

Pour generously.

PROPER BARS. PROPER COCKTAILS. ABSOLUTELY NO WARM PROSECCO.

The party starts here.

THE JAW BAR

A bar should do more than exist.

We bring the bar, stock it, chill it and run it. Premium glassware. Proper ice and garnishes. Fully uniformed staff. Trained mixologists whenever cocktails are on the menu.

We keep the tables supplied with water when we're with you for the whole day. We can pour and serve the wine too - at no extra cost - rather than abandoning bottles on tables and hoping for the best.

*All the refinements you'd expect.
None of the irritating extras.*

Drinks sorted. Party on.

Tell us the brands. Change the plan.

Paid bars are card-only. The £1,800 minimum spend lets us build the right service around you. Wi-Fi is preferred, not essential - just tell us what's available. Prices include VAT. Travel is included throughout England and Wales; elsewhere, it's quoted clearly.

Good drinks. Full glasses.

One hell of a party.
